John Whitaker International Ltd was established in 1998 with the aim of finding top quality equestrian clothes and equipment. Today they lead the field for innovative design and the use of modern fabrics to bring equestrian clothing to the cutting edge of sporting achievement. John and his wife Clare, have a huge input into product development and selection. Consequently the John Whitaker range has been tried and tested at the highest levels. The company is investing a significant amount of money into the squad, plus supplying team uniform, casual clothing plus fly rugs, waffle rugs and saddle cloths; all in team colours.

The British Showjumping Teams continue to be strongly supported by the UK Sport Lottery funded BEF World Class Programme.
